Bengaluru, Karnataka

SUMMARY

I am a graduated student with a solid foundation in Python programming, data science, and data structures. I am proactive and detail-oriented, combining my analytical skills with excellent communication to drive insights and solve problems. As a collaborative team leader and dependable team player, I am eager to contribute to dynamic and innovative environments

EXPERIENCE

Python Intern

Upskills Academy

01/2025 - 03/2025 Online

A platform focusing on upskilling individuals through various training programs

- Developed a quiz platform with Python, MySQL, and HTML, ensuring performance and usability
- Optimized database with randomization, scoring, and authentication features
- Enhanced reliability and UI/UX through teamwork and iterative improvements

Data Science with Python Intern

DevSkillshub

07/2024 - 09/2024 Online

An organization that equips learners with necessary skills in the tech industry

- Improved data processing by 20% through advanced cleaning and preprocessing techniques
- Enhanced data quality by 30% using validation frameworks and anomaly detection
- Created visualizations and reports, turning complex data into actionable insights with clear documentation

EDUCATION

Bachelor of Computer Applications (BCA)

ST PAULS COLLEGE

08/2022 06/2025 Bengaluru

CERTIFICATES

- Pynum AI Developer Certificate – Python Academy
- Data Science Simulation Certificate – Forage

STRENGTHS
